The Southern California Healthcare Diversity Summit Provides Tools for Adapting to Emerging Healthcare Practices

On November 3, 2015, the California Diversity Council hosted their Second Annual Southern California Healthcare Diversity Summit at the City of Hope Cooper Auditorium in Duarte, California. This year's theme was "Transformational Diversity in Healthcare."

"The Southern California Healthcare Diversity Summit allowed attendees to engage in dialog with top executives while learning healthcare diversity best practices," said Dennis Kennedy, Founder and CEO of the National Diversity Council.

The event began with registration and a networking session followed by a welcome and various concurrent sessions focused on diversity in healthcare and administering patient care practices. Session topics included, "Marketing to Diverse Communities," "Designing for Experience," "Generations in Healthcare," "Metrics and Analytics," and "LGBT Disparities in Healthcare." The event closed with a sharing of best practices and closing remarks.

The California Diversity Council would like to thank all the sponsors, speakers and attendees for helping to make this event a success.
