## Female Executives Honored at the Top 50 Most Powerful Women in Technology Dinner

On November 12, 2015, the California Diversity Council hosted the Top 50 Most Powerful Women in Technology Awards Dinner at the Hyatt Regency in Santa Clara, CA. The event honored 14 female executives from the National Diversity Council's Top 50 Most Powerful Women in Technology list. This year's theme was, "Women in Tech: Inventors, Innovators, and Entrepreneurs."

"Women in technology face unique challenges and by hosting the Top 50 Women in Technology Awards Dinner, I hope to inspire young women to face such hurdles with confidence and pursue their dreams in this vital industry," said Dennis Kennedy, Founder & CEO of the National Diversity Council.

The event began with registration and networking followed by a dinner honoring 14 of the Top 50 Most Powerful Women in Technology. These women serve as the top leaders in their profession and their actions directly contribute to the business growth and strategic direction of their respective organizations.

The California Diversity Council would like to thank all the sponsors, speakers and attendees for helping to make this event a success.

The events program booklet, photos, and other post events from 2015 can be viewed here:
