INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of
National Diversity Council

We have audited the accompanying financial statements of National Diversity Council (a nonprofit organization), which comprise the statements of financial position as of December 31, 2014 and 2013, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of National Diversity Council as of December 31, 2014 and 2013, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

The National Diversity Council
Notes to Financial Statements
For The Year End December 31, 2014 and 2013

1. **NATURE OF ORGANIZATION**

The National Diversity Council ("Council") was incorporated in the State of Texas on August 31, 2007, under the National Non-Profit Corporation Act.

The Council's primary purpose is to engage in fostering a learning environment for the business community to grow in their knowledge of diversity. The Council currently has Councils located in 26 States. These councils serve the localities as both a resource and an advocate for the value of diversity.

The council promotes networking and mentoring opportunities, scholarship programs and events to raise the awareness of diversity in the workplace.

The Council is operated by personnel and utilizes facilities shared with the Texas Diversity Council.

2. **DATE OF MANAGEMENT'S REVIEW**

In preparing the financial statements, the Council has evaluated events and transactions for potential recognition or disclosure through October 15, 2015 the date that the financial statements were available to be issued.

3. **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

METHOD OF ACCOUNTING

Revenue and Support are recorded based on the accrual method.

BASIS OF PRESENTATION

The Council presents its financial statements under FASB Accounting Standards Codification 958, Not-for-Profit Entities (FASB ASC 958). Under FASB ASC 958, the Council is required to report information regarding its financial position and activities according to three classes of net assets as follows:

Unrestricted Net Assets - Net assets that are not subject to donor-imposed stipulations.

Temporarily Restricted Net Assets - Net assets subject to donor-imposed stipulations that may or will be met by actions of the Council and/or the passage of time.

Permanently Restricted Net Assets - Net assets subject to donor-imposed stipulations that they be maintained permanently on behalf of the Council. Generally, the donors of these assets permit the Council to use all or part of the investment return on these assets. The Council had no permanently restricted net assets at December 31, 2014 or 2013.

See Independent Auditors Report

3 **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, Continued**

REVENUE RECOGNITION

Grants and other contributions of cash and other assets are recognized when the donor makes a promise to give to the Council that is in substance, unconditional. Contributions are reported as temporarily restricted revenues if they are received with donor stipulations that limit the use of the donated assets. When the donor restriction expires (when a donor stipulation is met by actions of the Council and/or the passage of time), the amounts are reported as net assets released from restrictions and reclassified to unrestricted net assets. If the restriction is satisfied in the same period the contribution is originally received, the contribution is reported as unrestricted.

DONATED ASSETS AND SERVICES

The Council shares the use of office space, utilities and various office equipment and expenses with the Texas Diversity Council. No amounts have been recognized for these donated services in the statements of activities.

The Council also receives donated services from the Texas Diversity Council personnel for trustee and administrative functions. No amounts have been recognized for these donated services in the statements of activities because the criteria for recognition under generally accepted accounting principles have not been satisfied.

CASH AND CASH EQUIVALENTS

The Council considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents.

SOURCES OF REVENUE

The sources of revenue for the Council consist of Board of Directors Memberships, Funds received for events and Advisory Board Membership sources.

ESTIMATES

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

OTHER ASSETS

Receivables from the Texas Diversity Council for shared expenses are reflected as well as prepaid rent for facilities shared with Texas Diversity Council

Maintenance and repairs are expenses as incurred. Expenditures for major improvements that extend the useful lives of property or equipment are capitalized.

INCOME TAX

The Council is tax exempt under Section 501 (c)(3) of the Internal Revenue Code and accordingly, is not subject to federal income tax. However, the Council is subject to taxes on unrelated business income. The Council had no unrelated business income during 2043. The Council is required to file annual information returns with the Internal Revenue Service. The Federal IRS filed returns remain open to potential examination by the Internal Revenue Service for a period of three years after the returns are filed. Current open years are December 31, 2011, December 31, 2012, December 31, 2013 and December 31, 2014.

CONCENTRATIONS

There are no concentrations of deposits or commitments that exceed 5% of total receipts.

FUNCTIONAL EXPENSES

Expenses are charged directly to program or general and administrative categories based on specific identification. Indirect expenses have been allocated based on hours worked, square footage or other similar allocation methods.

See Independent Auditors Report

FUNDRAISING EXPENSES

Fundraising expenses mainly consist of time incurred soliciting grants and memberships. These services are provided free of charge by employees of the National Diversity Council. No amounts have been recognized for these services in the statements of activities because the criteria for recognition under generally accepted accounting principles have not been satisfied.

4 **RECEIVABLES**

Receivables are carried at the value agreed to by the donor and the Council. All amounts are reflected net of those amounts doubtful to be collected. Various conditions result in the doubtful account amount including change in previous staff of donor and/or approval for membership.

5 **TEMPORARILY RESTRICTED NET ASSETS**

The Council had no temporarily restricted net assets as of December 31, 2014 or 2013.

6 **RECEIVABLES**

The accounts receivable as of December 31, 2014 and 2013 were due from memberships and program events. The components are:

	2014	2013
Receivables - Gross	\$ 54,781	\$ 246,024
Allowance for Doubtful Accounts	<u>(43,781)</u>	<u>(37,200)</u>
Total	<u>11,000</u>	<u>208,824</u>

7 **COMMITMENTS, CONTINGENCIES AND UNCERTAINTIES**

The Council's activities are subject to review by Federal, State and Local taxing authorities. Thus far the Council has not received notification of any pending reviews to be carried out in the near future. At December 31, 2014 and 2013 the tax years remain subject to examination by taxing authorities begin with the 2011 tax year. In evaluating the Council's review and status of tax provisions and accruals, the Council believes that its estimates are appropriate based on current facts and circumstances.

It is at least reasonably possible that a change in estimates reflected in the financial statements will occur in the near term. The estimates are material as related to the financial condition of the Association.

See Independent Auditors Report

The National Diversity Council
Notes to Financial Statements
For The Year End December 31, 2014 and 2013

8 **ALLOWANCE FOR DOUBTFUL ACCOUNTS**

Losses on receivables are recognized when it is more likely than not that the receivables will not be totally collected. An allowance for estimated uncollectible amounts has been recognized to reduce the amount of receivables to their net realizable value. The allowance for uncollectible amounts is a management estimate. Analytic procedures has been performed to ensure that the allowance is reasonable in relation to total billed accounts receivable balances, past due accounts receivable balances and historical bad debt experience.

9 **CONDITIONAL PROMISES TO GIVE**

The Council may receive grant monies administered by various foundations and endowments. Grant monies are to be used for specific purposes as set out in the agreement agreed to by the Council. Funds are disbursed periodically during the grant period and are contingent upon approval of proposed budget amounts and other conditions specified in the agreements.

The Foundation and Endowment retains the right to terminate funding if monies are not available at a future date. The Foundation and Endowment also retain the right to terminate funding and obtain a refund of previous grant awards in the event it determines provisions of grant agreements have been violated.

10 **RELATED PARTY TRANSACTIONS**

The National Diversity Council shares building space and expenses as well as management and staffing with the Texas Diversity Council and the Diversity Leadership Council, Inc. Officers of the National Diversity Council, the Diversity Leadership Council and the Texas Diversity Council are common to both organizations. Numerous deposits and disbursements by each organization is reimbursed or disbursed to the related organization based on payroll allocation, rental space and revenue received. Also, certain officers of National Diversity Council are paid employees of Texas Diversity Council.

Accordingly, there are related party transactions between the entities controlled by management and the Board.

In addition there are receivables and payables between the entities and management.

Related party loans are as follows:

	2014	2013

11 **LEASES**

Currently the Council is paying monthly rent of \$689 to a landlord, shared between related parties. This monthly amount is a verbal agreement with no signed commitment. The lease of \$689 is presently a three way split of expenses and is being paid by the Council, the Diversity & Leadership Council and the Texas Diversity Council. As of December 31, 2013 the amount of rent accrued and unpaid was \$2,605.

12 **IN KIND DONATION**
